Here is a closeup of the cuff pattern:

- The width is the same as the hemline on the sleeve.
- Then mark the area of the thumb and the fold line.

Sewing order:

- Fold the cuff in half longwise
- Stitch the first $1\frac{3}{4}$ " area, skip the $1\frac{1}{2}$ " thumb area, stitch through both 1" marks, skip the $1\frac{1}{2}$ " thumb area, stitch the last $1\frac{3}{4}$ " area.
- Turn the cuff in half with right side out.
- Finger fold the seam allowance open and locate the thumb areas.
- Topstitch around the thumb area, securing both layers of fabric (shown below)
- Attach cuff to sleeve hem.
